Note:

With this form complete and submit the form having the code **ΓENEY**.
With the submission of this application you have to indicate to the Inspector of Explosive Substances the licensed store that you have at your disposal.
If you don't have such a store at your disposal you may proceed to attain your own licensed store. For this purpose you have to submit the form having the code AΠY-AΠP for blasting and gun powder, ammunition or pyrotechnic articles or the form having the code AΠE for the other types of explosive substances.
